We are a welcoming and lively international church in the Netherlands, located in the beautiful city of Utrecht with a congregation in Zwolle. Comprised of all ages and many nationalities, with various denominational backgrounds and convictions, we are held together by a lively faith in Jesus Christ.

We are looking for an Anglican Priest who can

- minister to believers from a wide range of denominations.
- engage with and support pastorally the whole community, including the elderly, families, singles, and students.

And who is able to

- preach Bible-based sermons that inspire, strengthen and comfort, and are relevant to everyday life.
- stimulate talents in others and work well together with committees and other formal bodies of the church.
